

BOMBAY CHARTERED ACCOUNTANTS' SOCIETY

Dear Member,

Prime Minister has from 8th November, 2016 gripped the eyeballs of the nation. While there are many issues surrounding Demonetization, Taxation Committee of BCAS has taken certain steps to propagate the scrapping of ICDS by making representation to that effect to the Government.

A step forward in this direction is the signature campaign initiated by BCAS Taxation Committee which will be sent to the Finance Ministry for their consideration. Members can sign the petition by simply clicking on the link and filing up basic details such as name and email address.

We urge you to sign the petition. You can also copy the link and send it to your friends and colleagues through e-mail, phone, social networks, and any other means (if we missed something there!). Let us propagate the cause such that the noise is loud enough for the Ministry to act upon.

The link to sign the petition is:

Together we can.
