**Half-Day Workshop for Senior CA's Technology:
Precautions and Useful Tools**

Respected Senior CAs!

We are thrilled to announce an upcoming event tailored specifically for you and your professional needs. We also extend a warm invitation to your spouses, recognizing the importance of their support in your professional journey. Although this workshop is designed keeping need of Senior CAs in mind, other members can also take advantage of the workshop

In today's fast-paced world, it is crucial to adapt and harness the power of technology to enhance your productivity. However, it is equally vital to be aware of the risks posed by online scams. That's why we have curated a comprehensive program that focuses on empowering you with the knowledge and tools to navigate the digital realm safely.

Do you fear making online transactions?

Gain valuable insights, tips, tricks, and precautions to safeguard yourself against online scams, ensuring your financial well-being remains protected

Are you always worried about the confidentiality of your clients passwords?

As Chartered Accountants, confidentiality is paramount to our ethical responsibilities. We will delve into best practices for password management, equipping you with the tools and techniques to uphold the highest standards of security.

Are you fed up of fake news and find it difficult to differentiate between fake and factual news?

In an era plagued by misinformation, it is increasingly challenging to discern fact from fiction. Learn how to identify and debunk fake news, enabling you to make informed decisions based on accurate information.

Do you want to know how?

Discover exciting features and hidden gems within Google and Gmail that can enhance your productivity. Uncover time-saving techniques and explore innovative ways to make your work more engaging and enjoyable.
