**Half Day Seminar on
Revised format of Audit Report for Charitable Institutions (Hybrid)**

The Central Board of Direct Taxes (CBDT) vide notification dated 21 February 2023 has introduced a revised form of audit reports for reporting by charitable institutions and are effective from 1 April 2023.

The new reporting requirements cast a much larger obligation on the auditor who is now required to report on the objects and operations of the institution, including detailed reporting on contributions, application of income, taxability under Section 115BBI of the Income-tax Act, 1961, capital asset transfers, transactions with specified persons and violations.

It is understood that these amendments will create lot of difficulties and doubts for these organisations for undertaking reporting in the revised format.

We have invited eminent Speakers, who will explain the nuances of the reporting and issues and complexities likely to be faced by the Charitable Institutions and auditors, as well as take up questions from the participants. The detailed program is as under:
