### **Seminar on Business Restructuring**

In light of the pandemic and changes in economic scenarios across the globe, the business have been changing the manner in which it operates, and there have been lot of chop and churn and acquisitions of the entities for purposes of aligning of the business. However, time and again there have been changes in Income Tax Act, like revamping the taxation regime on reconstitution of partnership, not allowing depreciation on goodwill etc. and similarly the divergent judicial precedents like in the case of Celerity, Gabs, Ozone etc. which keeps the controversies in relation to business restructuring ‘alive and kicking’. To add fuel to the fire you have Sections like 56(2) (x) and GAAR which adds a level of difficulty and uncertainty to any business restructuring.

The seminar will be in a Panel Discussion format, where the topics will be discussed in detail by the Experts. It will be useful for Tax Managers, Tax Heads, CFOs, Tax Consultants, Tax Practitioners and others keen to keep abreast with the rapid changes in Business Restructuring.
