Dear Members,

We invite you to the next meeting of our Study Circle.

<b>Day &amp; Date</b>	Saturday, 25th November, 2023
<b>Time</b>	6.15 pm to 8.15 pm
<b>Topic</b>	Film Screening - "The Power of Vision" by Joel Barker
<b>Venue</b>	Offline Mode - BCAS Hall, Jolly Bhavan 2, New Marine Lines, Mumbai - 400020

## **The Power of Vision**

How did a prisoner find the will to survive hell on earth — Auschwitz concentration camp — so he could help others find the meaning of life? How did most of a sixth grade class in a neighborhood where few students even finish high school beat the odds and go to college? How do organizations inspire employees to be more than observers, to choose to actively create their futures?

### **Vision.**

The Power of Vision demonstrates that having a positive vision of the future is the most forceful motivator for change-for success-that companies, schools, communities, nations and individuals possess.

Futurist Joel Barker shows why a shared vision makes decision-making easier, why effective visions are never expressed in numbers and why a vision must be inspiring enough to challenge each member of the vision community to grow and reach beyond their previous limits.

The Power of Vision will inspire the people in your organization to think together, dream together and act together to make a difference in the world.

### **Key Learning's:**

1. Creating a Compelling Vision That Goes Beyond Numbers
2. Challenging Others to Stretch Beyond Their Perceived Limits
3. Inspire a Personal, Daily Connection to a Shared Vision
4. Improved Decision Making
5. New employee training

Leadership

6. Team building

This meeting is open to all who are interested in attending.

Sincerely,

CA Vinod Jain, CA Toral Shah, CA Richi Monani
