Welcome to JhanCAr, a thrilling event designed exclusively for Chartered Accountants (CAs) and CA students. JhanCAr is a unique platform where you can showcase your talents and skills while enjoying a day filled with excitement and camaraderie. If you don't have a complete team, don't worry; we'll pair you up with others who share your passion for challenges. Event rules will be explained on the day, so there's no need for prior preparation unless specified otherwise.

Scoring

Each game will have a winning team, and at the end of the day, the points earned in all the games will be added up to determine the overall tournament winner. It's not just about individual event victories; it's about your team's performance across all the challenges.

Participating in all the 4 games is mandatory. Each member of a team shall be participating in at least one of the games
