“Israel Palestine Conflict-Issues & Implications”

Dear Members,

The conflict between Israel and Palestine is intertwined with the complex geopolitics of the Middle East that could potentially destabilize the global economy, just like the Russia-Ukraine conflict did, because it involves some of the most powerful nations in the world. If this conflict intensifies, it could also have significant repercussions for the economies of India and the entire world.

We will also discuss current Economic & Geopolitical issues impacting India & markets

Details of Study Group’s Zoom meeting is as follows:
