Online Courseplay Platform

*Full Reimagine Conference*

₹3999 for All Session / ₹499 per Video Session

*Validity of Course - 60 days from the Date of Approval*

On July 6th, 2023, BCAS entered its Platinum Jubilee, marking 75 years of service to the community of Chartered Accountants and society at large. The jewel in the crown was a grand three-day mega-event on Reimagining the Profession.

These three days of deliberation included public events and community activities, as well as moments of reflection on BCAS's 75 years of service. An exciting series of programs covering the future dynamics of the profession, including a thought-provoking lineup of presentations, panel discussions, fireside chats, interviews, and leadership talks, were the highlights of this event. There were also cultural performances to stimulate the senses. The celebrations were a platform for knowledge dissemination, professional growth, and networking opportunities that will prepare you for the future.
