

THE NEW CRIMINAL LAWS - EXPERTS' OVERVIEW

Dear Members,

The Bharatiya Nyaya Sanhita (BNS), Bharatiya Nagarik Suraksha Sanhita (BNSS), and Bharatiya Sakshya Adhinyam (BSA)—three groundbreaking pieces of legislation that are reshaping the Indian criminal justice system. Collectively, these codes aim to streamline the justice system, improve its effectiveness, and ensure a more just and transparent legal process.

We are pleased to announce a program designed to provide BCAS members with a comprehensive understanding of the newly coded criminal laws in India. The sessions aim to equip attendees with practical insights and knowledge essential for navigating the legal landscape impacting their professional practice or clients effectively. Through expert-led sessions and interactive discussions, the program promises a valuable learning experience tailored specifically to the needs of Chartered Accountants.

Due to the overwhelming response to this event, we are pleased to announce that we have moved to a larger venue to accommodate a wider audience.
