Finance, Corporate & Allied Law Study Circle

Dear Members,

While mergers are generally complex and require the expertise of multiple disciplines, the Companies Act, 2013, introduced a Fast Track Merger process to streamline and simplify mergers for specific types of companies. This process enables chartered accountants to handle certain merger assignments independently, creating an additional professional avenue with manageable added effort.

To equip members with a comprehensive understanding of Fast Track Merger, the Finance, Corporate, and Allied Laws Committee Study Circle of BCAS has organized an online session covering its detailed aspects
