## Finance, Corporate & Allied Law Study Circle

Dear Members,

Investing in Real Estate and Infrastructure has traditionally focussed on value appreciation through direct ownership. However REIT (Real Estate Investment Trust) and InvIT (Infrastructure Investment Trust) offer a modern way to participate in these sectors without direct ownership while generating regular income.

Join us for an insightful session by **CA Harry Parikh**, who will:

- provide a basic understanding of REIT n InvIT
- discuss their potential as investment avenues highlighting its benefits,
- share insights on opportunate time to invest, exit, and its tax implications
