International Economics Study Group

Dear Members,

Global geopolitical landscape is undergoing seismic changes from conflicts like Ukraine & Palestine, Tariff war, Trump's territorial expansion agenda, Musk's Role & DOGE, Dedollarization, Deportation, intangible battles like information warfare, supply chain warfare (tariffs, export controls), U.S.-China rivalry, "New" Western reality" (War, Migration & Conservative Policies) and the Information warfare "the battle for perception and influence".

What is the future of NATO? Can Europe handle seismic changes? What's happening in Syria & Turkey?

Tensions in India's neighborhood: Pakistan & Bangladesh are experiencing seismic changes which would have impact on India. What's next?

Co-Convener CA Harshad Shah will present the points and the Group will deliberate impact on Economy & developing geopolitical landscape.
