30th & 31st May 2025 (Friday – Saturday)

6th & 7th June 2025 (Friday – Saturday)

Dear Member,

BCAS is pleased to announce an intensive study course on Foreign Exchange Management Act (FEMA) spread over 4 days (2 Fridays and 2 Saturdays) under Virtual mode while last day will be in Hybrid Mode - both Virtual and Physical at BCAS Office, Jolly Bhavan.

In keeping with the evolving trends in businesses around the globe and new age practices, the topics will be a blend of basics of FEMA, viz., Basic Understanding, Capital and Current Account Transactions, FDI, ODI, ECB, etc. and new age concepts, viz., Start ups, REiTs and INViTS, Succession Planning, Corporate Restructuring among other relevant topics. The event will conclude with a Brain Trust Panel Discussion with renowned experts as panelists. Given the Enforcement Directorate's renewed focus on FEMA violations, it may be important to focus on FEMA compliances for all transactions – past and future – and this course will aid in this endeavor.

This Study Course will witness a distinguished list of Speakers having rich experience of several years.
