

## Overview of Due diligence with focus on Financial due diligence

In an era of increasing M&A activity, private equity investments, and strategic collaborations, **Due Diligence** has become a critical tool for stakeholders to make informed decisions and mitigate risks.

Join us for an engaging session by **CA Sahil Parikh**, who will:

- provide an overview of the due diligence process with an emphasis on **financial due diligence**,
- highlight red flags, common pitfalls, and best practices to ensure effective risk assessment,
- impact of due diligence findings on deal structuring and deal valuation

This session will benefit all those (including professionals) involved in transaction advisory, audits, consulting, and corporate finance.
