BOMBAY CHARTERED ACCOUNTANTS' SOCIETY

DigiSetu

The Tech Bridge for Senior Professionals
A special 4-week Digital Awareness Series

Dear Members,

In today's fast-paced digital world, even the most experienced professionals can feel overwhelmed by the rapid advancements in technology. "DigiSetu: The Tech Bridge for the Senior Professionals" is a curated series designed exclusively for senior Chartered Accountants who wish to stay current, secure, and confident in using modern technology.

Each session is short, simple, and practical — no technical jargon! Whether it's handling smartphones, understanding AI, or protecting yourself from online fraud — *DigiSetu* will make understanding technology easier for you.

👥 Who Should Attend?
Senior CA professionals who:
- Want to use smartphones smartly and safely
- Are curious about AI tools like ChatGPT
- Wish to stay secure while using digital banking, emails, or apps

We leave it to you to decide the definition of "senior". All are welcome.
