

‘E-Learn’ - A Virtual Learning Initiative

Four Day Study Course on Foreign Exchange Management Act (FEMA)

The event provided an insightful overview of both foundational and emerging aspects of FEMA. It covered key topics such as Basic Understanding of FEMA, Capital and Current Account Transactions, FDI, ODI, ECB, and also delved into new-age concepts like Start-ups, REITs and InvITs, Succession Planning, and Corporate Restructuring, among others. The session concluded with a thought-provoking Brain Trust Panel Discussion featuring renowned experts. In light of the Enforcement Directorate’s increased scrutiny of FEMA violations, the program emphasized the importance of FEMA compliance for both historical and future transactions — making this course a valuable resource for professionals seeking clarity and guidance in this evolving space.
