Redevelopment 360⁰: From Concept to Completion

In the dynamic landscape of urban development, redevelopment projects have gained prominence—particularly in metro cities like Mumbai—due to the pressing need to replace aging buildings and outdated infrastructure. These projects are inherently complex, involving multiple stakeholders and a web of legal, tax, and regulatory considerations. This course offers a comprehensive understanding of the key legal frameworks, tax implications, and approval processes associated with redevelopment.

The details are given below:

Event held on	21 st June 2025
Validity	30 days from the Date of Approval
Venue	Online Courseplay Platform
