

Webinar on Filing of Income Tax Returns for AY 2025-26

Dear Members,

While the Central Board of Direct Taxes (CBDT) notified the Income-tax Returns (ITR) forms for Assessment Year 2025-26, in early May 2025 the online utilities for the ITR forms have only been released recently in the month of July 2025.

Since filing of an accurate and complete return of income is the first step in the direction of all future proceedings, professionals need to be vigilant towards the amendments to the Act and also the additional & updated disclosure requirements in the return of income especially considering that the CBDT has specifically extended the filing due date to accommodate the “*extensive changes introduced in the ITRs*”. Utmost care needs to be taken while filling up each field in the ITR form. A small and innocuous mistake could cost the tax payer heavily in terms of tax and interest. Therefore, it is imperative that tax payers, as well as tax professionals, are fully aware of the minutest details to be filled in.

As we move towards minimal government interventions, maximum governance, the duty cast on professionals will continue to increase manifold. In the recent past, the Government has brought in many changes.

Hence, it is important to understand the nitty gritty of the provisions and the related reporting requirements. With a view to equip our members and their staff with adequate knowledge and enhancing professional competencies, we are pleased to present a webinar focussing on changes in the ITR forms (ITR 1 to ITR 6) , key disclosures and practical issues in filing of return of Income for AY 2025-26.
