Navigating the Tax and Regulatory Landscape for Private Equity Transactions in India

In today’s evolving investment climate, private equity deals in India face increasing tax and regulatory complexities driven by heightened scrutiny, changing treaties, and evolving rules affecting fund flows and exits. This webinar will equip participants with practical and strategic insights on fund structures, transaction planning, capital gains, key contractual considerations, and recent legal developments. Covering fund setups, SPVs, offshore jurisdictions, and tax insurance solutions, the session is designed for investment professionals, fund managers, legal and tax teams, M&A advisors, and CAs aiming for effective and compliant deal execution.
