

‘E-Learn’ - A Virtual Learning Initiative

Seminar on NBFCs - Challenges, Opportunities and the Road Ahead

The NBFC sector plays a pivotal role in India’s financial ecosystem. With rapidly evolving regulations, the adoption of Ind AS, the rise of FinTech-driven lending, and increasing expectations around governance, staying updated is crucial for professionals.

This self-paced course offers practical insights, regulatory updates, and expert guidance, enabling learners to confidently navigate the NBFC landscape. Through structured modules, case studies, and thought leadership content, participants will gain the knowledge and skills to advise clients, boards, and audit teams on key issues shaping the NBFC universe.
