The overwhelming response to our in-person Family Offices Masterclass with seats filling up well in advance left many of you asking whether there could still be a way to participate. And for those outstation enthusiasts who could not travel.

We listened.

BCAS is pleased to announce that the Masterclass will now also be available in virtual mode, allowing participants to join the same curated conversations, global insights, and expert perspectives all from the comfort of their own space.

This is your opportunity to deepen technical, legal, and tax knowledge while engaging with the same distinguished speakers who shaped the in-person program.

PARTICIPATION FEES

Member (Virtual): ₹1,500 + GST

Non-Member (Virtual): ₹2,500 + GST
