## Webinar on: Mastering Compliance with India's DPDP Act, 2023

**Dear Members,**

India's Digital Personal Data Protection (DPDP) Act, 2023 is transforming the way organizations collect, manage, and protect personal data. As businesses scale, integrate digital systems, and rely on third-party partners, **data** protection compliance is no longer optional - it's mission-critical.

Join us for an action-packed session where our expert speaker will break down the DPDP Act, decode the draft rules, and share practical insights to help your organization stay compliant, resilient, and future-ready.

### **Key Take-Aways From the Session:**

- Key provisions of the DPDP Act and what the draft rules really mean
- Roles & responsibilities of Data Fiduciaries and Data Processors
- How to navigate consent, cross-border data transfers & grievance redressal
- Managing third-party data risks and vendor ecosystems
- Sector-specific insights for BFSI, healthcare, e-commerce & manufacturing
