Core Knowledge Sessions

The Tech-First CA Firm of 2030

What survives vs dies in traditional CA practice, and how AI-powered, cloud-first delivery is reshaping staffing, pricing, margins and client expectations.

Practical Cybersecurity Lessons

DPDP-aligned security practices including encryption, cloud security, MFA, safe file sharing, and a practical incident response approach.

DPDP Compliance: 90-Day Implementation Blueprint

A ready-to-use toolkit and step-by-step roadmap, including templates, workflows, and service-line opportunities around DPDP compliance.

FIRESIDE CHAT: Government Vision Meets Reality - Digital India 2030

Policy and ecosystem direction across AI regulation, DPI expansion, cybersecurity expectations, GCC growth, and the CA profession's role over the next decade.

DCMM 2.0: ICAI Digital Capability Maturity Model - Deep Dive

ICAI's maturity framework explained with real firm examples, self-assessment, gap analysis, and a clear progression roadmap from Level 1 onwards.

Practice Management Systems: Running Your Firm Like a Tech Enterprise

How modern firms use practice management systems, analytics, workflows and integrations to reduce leakage and run operations with enterprise-grade visibility.

AI Agents: Productivity, Compliance & Client Service Automation

Demonstrations and governance guidance on using AI agents for classification, meeting intelligence, research, client communication and compliance tracking.

Government Digital Stack: WhatsApp APIs, DigiLocker & Portal Automation

Practical use cases of WhatsApp automation, DigiLocker, Account Aggregator, GSTN and portal workflows for faster, cleaner and compliant execution.

Digital Branding & Online Presence for CA Firms

Practical guidance on building ethical digital presence, LinkedIn strategy, website fundamentals, reputation management, and a 90-day visibility blueprint.

FIRESIDE CHAT: Building from Bangalore to the World - India's AI & GCC Moment

Global opportunity context on India's AI hub growth, GCC ecosystem trajectory, and what global enterprises expect from Indian professional partners.

Your 100-Day Tech Transformation Commitment

Bite sized wrap of two days learning and the way ahead

Participation limited to 140 delegates only
