Recent Developments in Labour Laws: An Auditor's Perspective

Dear Members,

Join us for “Recent Developments in Labour Laws: An Auditor's Perspective,” a session covering India's transition to the four new Labour Codes effective November 2025. We will break down the consolidation of 29 laws into a unified framework, focusing on the redefined wage structures, expanded social security coverage, and the shift toward digitized compliance. Stay ahead of the curve by exploring how these reforms and 2026 policy trends are reshaping the audit and employment landscape.
