ABOUT THE SEMINAR

The BCAS Accounting & Auditing Committee invites practising Chartered Accountants to a structured, full-day programme focused on two rapidly evolving priorities for CA firms:

- ◆ Leveraging Artificial Intelligence in day-to-day audit, certification, and internal audit workflows
- ◆ Achieving readiness for ICAI Peer Review and gaining practical insights into implementation of the Audit Quality Maturity Model (AQMM)
- ◆ Practical, demo-driven sessions by leading practitioners and ICAI-empanelled speakers
