## **‘E-Learn’ - A Virtual Learning Initiative**

### **FEMA Long Duration Course 2026**

Enhance your understanding of FEMA through this comprehensive self-paced course covering recent developments in Foreign Direct Investment (FDI), Overseas Direct Investment (ODI), External Commercial Borrowings (ECB), import and export regulations, current account transactions, Liberalised Remittance Scheme (LRS), compounding under FEMA, corporate restructuring, cross-border acquisitions, succession planning, private trusts, and the interplay of FEMA with international tax and related laws. Learn at your own pace through expert presentations and insightful panel discussions designed to provide practical perspectives on complex cross-border transactions and regulatory developments.

The details are given below:
