Webinar on Income Tax Returns for AY 2026 – 27

From Data to Disclosure: Mastering ITR 3 to 7

Navigating ITR Forms, Schedules & Disclosures for AY 2026-27

Dear Members,

The Income Tax Return is, in many ways, the assessee's annual report card — a critical submission to the Income Tax Department that demands precision and care. While India's tax return forms have never been straightforward, the onus on professionals to be vigilant while preparing them has only grown. Every detail of income must be correctly reported under the appropriate schedule; a small, seemingly innocuous error can lead to intimations, notices, and avoidable tax and interest costs for the taxpayer.

As the tax administration moves towards the principle of minimal government intervention and maximum governance, the responsibility resting on professionals continues to expand. The recent slew of changes introduced by the Government makes it all the more essential to have a firm grasp on the finer nuances of the provisions and their corresponding reporting requirements.

With this objective to equip members and their staff with the requisite knowledge and to strengthen professional competence, the Direct Tax Committee is pleased to present a webinar on **ITR Forms (ITR 3 to ITR 7), Key Disclosures, and Practical Issues in Filing Returns of Income for AY 2026-27**.

Key topics to be covered:

- Overview of changes in ITR 3 to ITR 7 for AY 2026-27
- Critical schedules and disclosure requirements
- Common practical issues and pitfalls in return preparation
- Precautions to avoid notices and intimations

We encourage members and their teams to register early, given the practical relevance of this session during the ongoing filing season.
