Empowering The Profession Across Bharat

### *Demystifying common problems in Valuation*

Dear Members,

Valuation is often less about complex formulas and more about making the right assumptions, selecting the appropriate methodology, and effectively defending the valuation conclusion.

This session is designed to provide practical insights into the common challenges, issues and pitfalls faced by professionals while undertaking valuation assignments. The session will focus on real-world situations, practical considerations and key aspects that can help professionals make informed valuation judgments.

The details of the meeting are as follows:
